

# Meal Kits and Sandwiches

## SunMeadow® brand Military Meals from GA Foods®

Since 1973, GA Foods® has been providing highly-nutritious, high-quality specialty foods. Our experienced logistics and supply chain team allows us to rapidly mobilize and ramp-up production in our USDA-inspected facility to respond to unexpected demand. For the past 15 years, we have supported large-scale needs around the world, any where our forces are deployed.

### Breakfast and Lunch/Dinner Shelf Stable Meal Kits

- #1 selling non-MRE meal kits to the United States Armed Forces
- Developed by our team of Registered Dietitians based on military specifications for all branches
- Include nationally-recognized brands
- Have a 9-month shelf-life
- Designed to fit in cargo pants pocket
- Perfect choice for troop movement and field exercise activities

### Bulk Sandwiches and Sandwich Kits

- Most popular varieties available with 7-day lead
- Custom orders available with 14-day lead
- Low sodium meats with no nitrate turkey, roast beef, and chicken breast
- Breads fresh-baked locally by national brand supplier
- Frozen sandwiches are made fresh from high quality ingredients and then frozen using blast-freeze technology to lock-in flavor, preserve quality, and ensure food safety.
